Forecast For Strathclyde
Issued by Met Office Aberdeen
at 0400 on Thursday 21 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Cold and windy with scattered showers, mainly in the west.

Today:
A cold and windy day with sunshine and scattered showers. Showers will be most frequent across Argyll and the west coast, drier through the Central Belt. Feeling rather cold in the brisk northwesterly wind. Maximum temperature 10 deg C (50 deg F).

Tonight:
Rather cloudy at times with occasional showers, these most frequent in the west. Some drier spells through the Central Belt and east. Brisk northwesterly winds easing down. Minimum temperature 6 deg C (43 deg F).

Friday:
Mainly dry with some bright spells across the east. Cloudy at times across the west with a few light showers. Less windy than Thursday. Maximum temperature 11 deg C (52 deg F).

Outlook for Saturday to Monday:
Windy on Saturday with occasional rain, this turning persistent later. Southerly coastal gales. Sunny intervals and scattered showers on Sunday and Monday, mild.
